THE NATIONAL DEBATING LEAGUE has worked with primary schools throughout Cape Town, Johannesburg and Polokwane to create competitive debate competitions. Over 200 students have joined our 2023 season. Together, they have become brave public speakers and analytical thinkers.

In collaboration with **St George's Preparatory**, the National Debating League is pleased to invite you to our inaugural event in the Eastern Cape, to be hosted on 12 October 2023 from 14:00 to 17:30.

Students will work in teams to debate issues as varied as animal rights and the role of sport in our society.

Our top teams and speakers will be recognized with medals, trophies and certificates. They may also earn the privilege of representing Gqeberha at the 2024 National Championship in Cape Town.

We cannot wait to welcome you and your students to our growing national community of future leaders and scholars.
